"FIVE MINUTES TO FABULOUS CASINO AND GOLF"

Wednesday

35-00 Mon \$ 35.00

I hope you had a nice visit in Miami. It looked like it was sort of cold there. We mailed the top coat last Friday after returning from our ferry where it was rather windy and chilly. I shipped one afternoon and we drove down to Atlantic City.

We arrived in Miami on Sunday after driving through rainy weather all Saturday. Murray put us up last night and we flew over here yesterday. Murray will join us Thursday after spending his last final. It is the off-season here so we got a package deal which included a free plane ride to the island and a free rental car. All we pay for is our room and meals. We are on a beautiful sandy beach and have

just emerged from the "Miami Ocean". We will be home next Sunday a letter I will write you a letter
